## NEWSLETTER 4

Friday, 30<sup>th</sup> January 2026

**Reading**-It is vital that our younger pupils bring their Book bags to school every week. It is interesting to note that a few children will say that they never read at home...

**School Dinners**-please could you share the menu choices as sometimes children will state that they don't like the choices made!

**Students**-I would like to welcome all of our Student Teachers to Rhos Helyg.

Two Students from Chester
